

Night Drilling Supervisor

Zhaikmunai LLP, part of Nostrum Oil & Gas, an independent multi-field oil and gas company engaging in the production, development and exploration of oil and gas in the pre-Caspian Basin, is looking for a **Night Drilling Supervisor**

KEY RESPONSIBILITIES

- Demonstrate Safety Leadership. Ensure the work is performed in a safe and efficient manner
- Manage the drilling contractor under supervision of Drilling Supervisor. Ensure the Drilling Contractor and service companies implement the work in accordance with the approved drilling program and Company's Drilling and Operations Standards. Prepare daily written instructions to the drilling contractor and ensure instructions are implemented
- Execute well program in line with Company's Drilling and Operations Standards
- Ensure Zhaikmunai daily drilling reports are complete, accurate and timely transmitted to Zhaikmunai drilling offices in Uralsk
- Witness and supervise all critical well operations on the rig as outlined by the requirements of Drilling Program during night shift
- Participate in Safety, Pre-spud and Pre-phase meetings and report any existing and potential deviations to Company. Apply the Management of Chance process
- Inform the DSV on any deviation of well execution from the program
- Ensure the drilling contractor executes its contractual obligations, including but not limited to its rig maintenance plan
- Participate in rig site safety meetings

QUALIFICATION, EXPERIENCE, REQUIREMENTS

- Previous experience in well supervision in H²S environment
 - Demonstrate leadership with no tolerance for safety violations
 - Experience in supervising Drilling operations with segregated (daily rate) services
 - Ability to work in team environment
 - Lead all relevant personnel in creating a performance-driven organisation
 - Proven track record in similar exploration and appraisal work for deep wells between 4500 - 6000m and high deviated / horizontal wells
 - Minimum 5+ years of experience in Drilling Industry
 - Verbal and written English and good reporting skills in "Open Wells" reporting system
 - Valid Medical Certificate
 - Valid IWCF Drilling Supervisor Certificate level 4
 - Valid H²S certification
- Valid certificate of Regulations and Rules of RoK
